Dedication

To **Miss Kathryn Billman** and **Mr. George McFee**, our admirable class advisors, we, the class of nineteen hundred and sixty-one, are dedicating this yearbook. Their unselfish assistance and encouraging guidance has inspired us and most certainly has helped us in all our undertakings. We could never fully express our gratitude as we would like to do, because the appreciation for what they have given us cannot very satisfactorily be put into words. And so, we dedicate this yearbook to them with the hope that in future years they can look back on these memories, remembering that they were a part of them, and feel that all the time and effort they have spent on our class was worth while. We know they will forever remain in a cherished way, a part of our memories and we hope we can forever remain **THEIR** class.

Meet Your Superintendent And School Boards . . .

Gerald A. Beierschmitt

The enormous job of running the Mount Carmel Joint Senior High School by setting school policies, providing necessary funds, and making appointments, is given to the **MOUNT CARMEL JOINT BOARD OF EDUCATION**. There are members on this board and they are elected for six year terms. In 1951 the school boards of Mount Carmel Borough and Mount Carmel Township signed a ten year contract, bringing into being the Mount Carmel Joint Senior High School. Today through the tireless work of the Mount Carmel School boards and their fine faculties has placed Mount Carmel on the list of Accredited Secondary Schools of the Middle Atlantic States Association of Colleges and Secondary Schools and twice Mount Carmel High has received the rating of excellent by this same evaluation committee.

The **high school dances** are held in the gym, usually on a Friday or Saturday night. Many of these dances are under the supervision of Mr. Boleske, Miss Billman, or Miss McCarthy, although some of the special dances are sponsored by the separate classes or other school organizations, such as the Student Council, the Future Teachers of America Club, or the Band Parents' Association. Cross Country Team - 1960

Follow the arrows, men!

CROSS-COUNTRY is a sport which demands much of its participants; endurance and spirit being the chief requirements of a good runner.

As far as the record in dual meets goes, the harriers were not too successful. Due to injuries suffered by many members of the team, they met defeat at times, however, the individual record of Steve Matukaitis made up for this.

Though several of the team were seniors, Coach Breslin's prospects for next season are more than promising.

In the All-Conference meet, which is conducted on an individual basis, we had three boys receiving medals. They were Steve Matukaitis, William Repko, and David Weinkle.

Presenting the Mount Carmel Joint Senior High School Band.

Mt. Carmel Joint Senior High School Band

Our band director, Mr. Paul Semicek, along with the Band Parents Association have made a lot of things possible for the **Mount Carmel High School Band**. This past summer the band travelled to the Garden Pier in Atlantic City, where they were the first high school band ever to appear. The **band** went to the Philadelphia Eagles' football game during the 1960-1961 football season to play at half-time ceremonies. They also presented a concert at Rolling Green Park this last summer.

More recently, the **band** under the direction

of Mr. Semick travelled to the Miss America Pageant at Atlantic City where they were only one of two high school bands ever to appear. The Band Parents' Association supplied new uniforms for the band this year and they also held an annual Christmas party and a yearly banquet for the graduate members of the band. The association also helped make this year's trip to Atlantic City possible by contributing money. With both Mr. Semicek and the Band Parents' Association behind the **band**, we all agree that our band will go far.

Cheerleaders

At the end of their junior year, these pretty misses were selected by the students to lead the cheering section of our high school. In addition to cheering at all athletic events and conducting pep rallies, these girls solicit the merchants of the community for ads, which appear in the football programs. Our **CHEERLEADERS** also march with the band and decorate the town with red and white, our school colors, before each game. They surely are an added attraction at all our high school games.

Bet I jump higher than you do.

Left, right, left, right!

Darn Flies! Wish I had a swatter.

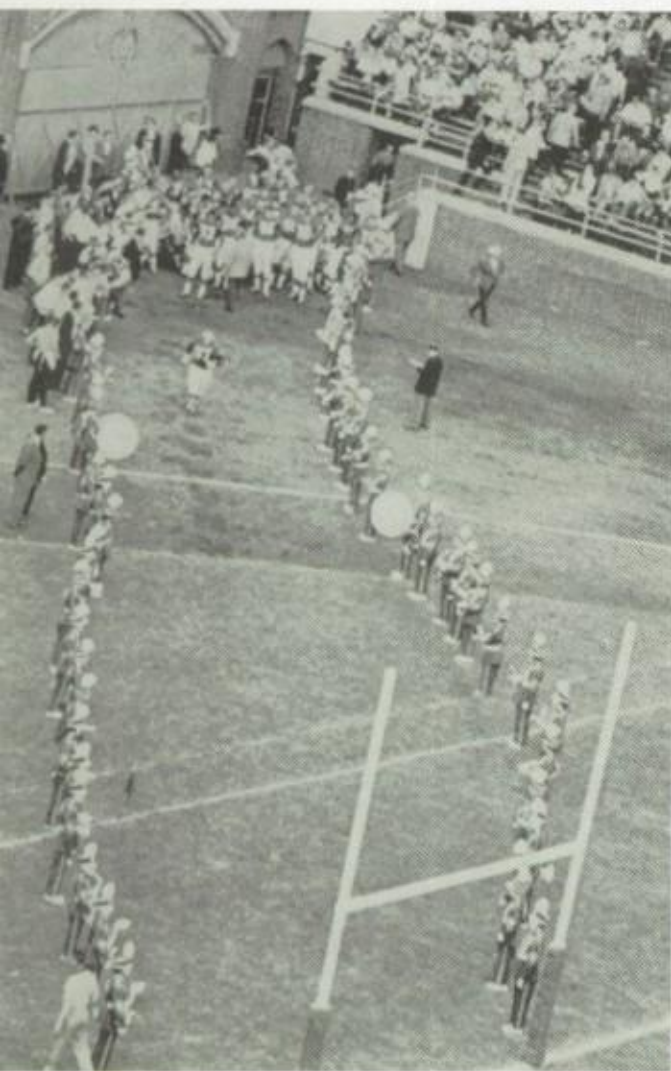

Our Majorettes

The **MAJORETTES** are a group composed of seven Junior and Senior girls. The girls at the end of their Sophomore or Junior year are chosen by the student body after competitive try-outs.

Our majorettes perform at football games and pep rallies and travel with the band to parades and other competitive programs throughout the state. Their biggest events of the past season were their appearances at the Miss America Pageant Parade in Sept. 1960, the Philadelphia Eagles' Football game, and the Band Competition at Harrisburg in December.

Time, training and hard-work make their perfect timing and routines possible. The majorettes add extra vigor and color to the Mount Carmel High School Band.

Our **CONCESSION STANDS** at the "Silver Bowl" are under the direction of Mr. Joseph W. Kozlowski. These concession stands are located right inside the main gates as well as underneath the home bleachers, for your convenience.

Delicious hot and cold refreshments are sold before and during the games with most of the business taking place at half time. Those who serve at the concession stands are students of the Sophomore, Junior, and Senior classes. Medals are awarded on class day to those who voluntarily gave their services. A gold medal is awarded for three years of loyal service, a silver medal for two years, and a bronze medal for one year.

"STUDENT MANAGERS of the Football Team"

During the 1960 football season the student managers of our football team were Robert Doyle, Carl Sassani, Andrew Takach, and William Repko. These boys are in charge of the distribution of equipment at the beginning of each practice session. When the practice is over, the managers see that the equipment is returned to its proper place. Besides taking charge of the equipment the student managers perform many tasks necessary to the maintenance of a properly functioning football team.

The **STADIUM USHERS** consist of a group of approved volunteer students. It is the duty of these workers to aid in the seating of the numerous numbers of fans that attend each home game. In addition to this, they also see that those who have reserved seats are seated in the proper places.

Annually, a large crowd of fans turns out for not only the home games but also the away games. With them, they bring the enthusiasm that flows right to our football players. This enthusiasm provides to the players the knowledge that each and every one of us are there to back them up — win or lose.

Red and White socks, too!

A word with the Greyhound coach.

Pep Rallies

During our football season, the enthusiasm rises high throughout the student body. This display of true school spirit is exhibited by our weekly Friday afternoon pep rallies. The cheerleaders, who are in charge of these pep meetings, do their very best to inspire the players and urge the student body to cheer. Two co-captains from the cheerleaders lead the cheers. Our evening pep rallies consist of a parade throughout town accompanied by cheers and band selections in front of the high school.

The Red Tornadoes, for the 1960-1961 season, under the excellent supervision of head coach Mike Terry and assistant coaches George Wrona and Charles Karlow, plowed through their heavy 11 game schedule with a record of 8 wins, 2 losses, and 1 tie.

The squad really proved that with determination, spirit, and by working together, it is possible for a young inexperienced team to reap honor.

Len Guarna and Ed Kovack both did a fine job as co-captains of the team and the squad responded by playing clean, hard football.

Frank's in trouble.

Guarna hits a stone wall.

In the opening game of the 1960 football season a crowd of three thousand watched the Mount Carmel Red Tornadoes come from behind during the ebbing moments of a hair raiser to earn a 19 - 19 tie with the **WEST HAZELTON WILD CATS**. Two TD's by fullback Norb Bonjo and a six yard pass-run by Frank Morgan accounted for High's points. Richard Battista played an outstanding defensive game.

Better open up Len.

Coach Mike Terry's Tornadoes invaded the home grounds of **TAMAQUA**. The red and white not only struck with lightning-like precision on offense but also featured a strong defense that held Tamaqua in check most of the evening. High scored once each period on TDs by a Greco-Bagushinski pass, a brilliant display of open field running by co-captain Len Guarna on his 57 yard dash, a 14 yard end sweep play by quarterback Greco and a 2 yard plunge by Junior halfback Morgan.

The sprouting Red Tornadoes turned back a stubborn **MAHANOEY AREA ELEVEN** in nice weather at the Silver Bowl 18 - 7 for their second victory to go with an opening tie. Forward passes by Q.B. Greco to Guarna and Gagushinski along with a plunge by Greco conquered the Golden Bears. Key defensive plays were made by Kovack (co-captain) and Senior end Paul Zenyuh.

Norb goes for a gain.

Lenny hauls one in.

Get out of the way, ref.

Thrills, chills, and spills of a hard-fought battle that marked the opening of Gridiron relationship between **Mt. Carmel** and **BLOOMSBURG** established the Tornadoes as "The Comeback Kibs." Mt. Carmel spotted the host Pathers two touchdowns and then came back to win the non conference game 18-15 on TD's by Greco, Guarna and Bonjo. Bob Moratelli, High's center, played a good game on offense.

Don't cry, Charley.

Only after a terrific struggle **MCHS** was knocked out of the unbeaten, once tied, ranks at the heels of **COAL TWP.** 7-0. A crowd of over 7,000 people in balmy October weather witnessed the hard-hitting, hard-fought battle. The only difference in the game was a recovered fumble by Coal Twp. and a series of penalties which enabled Coal to score. The Mt. Carmel defense was at its best, but the offense just couldn't click.

What appeared to be a near capacity crowd on a snappy evening saw coach Mike Terry's eleven surrender TD's. The **Red Tornadoes** went down before the Crimson Tide of **POTTSVILLE** 13-0. Both High's offense and defense were below par, but the team's desire proved an important factor in holding undefeated Pottsville to 13 points. High's record is now 4-2-1.

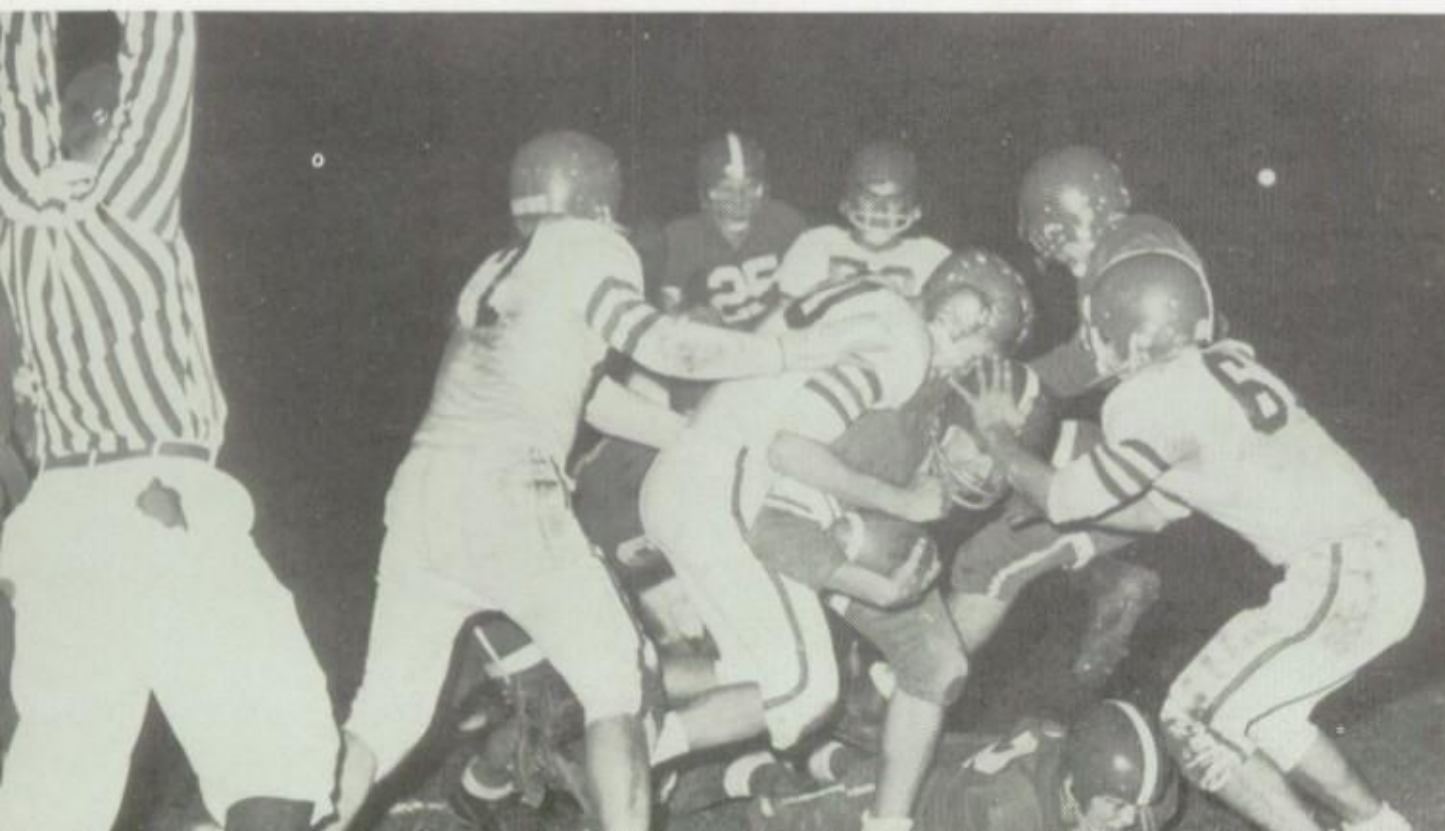

In a clash of undefeated, once-tied teams in good weather here at the stadium last night, Coach Mike Terry's **Red Tornadoes** turned back the **KULPMONT WILDCATS** 43-6. Len Guarna ran 25 yards for High's first score and plunged 2 yards for the second touchdown. Joe Stabinski, senior halfback, ran 30 yards for High's third score. Four TD passes were thrown: two each by QB Greco (To Guarna and Bagushinski) and 2 by substitute QB Grossman (To McFadden and Orzechowski) accounted for all of High's scores.

Down he goes.

Ronnie goes over.

Ouch, my finger!

Presenting Miss America of 1961!

While awaiting the appearance of Miss Nancy Fleming, Miss America of 1961, the **HOMECOMING PEP RALLY** began. The homecoming Queen, Elaine Bridy, and her court were called to the stage and asked to address the assembly. Soon afterwards, Miss Fleming spoke to the student body, having been brought upon arrival directly from the Scranton Airport. Escorted to the podium by William Albertini, president of the Student Council, and Leonard Guarna, president of the Senior Class, she was given a tremendous ovation. She spoke on the three "S's", that is, smiles, speeches and soaring. Then she wished the Red Tornado gridmen good luck in their Homecoming game with Pottsville.

The afternoon parade included a Marine color guard, school and other officials in cars, Pottsville High School Kilties, Pottsville High School Band, cheerleaders, color guard and others; Mount Carmel Joint High School Homecoming Queen and Her court in cars; high school cheerleaders, majorettes, color guard, and band, and Miss America in a decorated car. The downtown business district was gayly decorated with flags and bunting in honor of Miss Fleming.

What a smile!

Have something to say, Elaine?

Hold on tight!

Future space girls.

Our Queen's well guarded.

A well deserved crown.

Following the parade to the stadium, the **HOMECOMING PROGRAM** was conducted on the center of the field in front of the steel stands on the west side. A crowd of some six thousand looked on as Miss America crowned Miss Elaine Bridy as Homecoming Queen of Mount Carmel Senior High School.

Seated: Elaine Bridy, **Homecoming Queen**. Standing, Left to Right: Laraine Ruths, Bonita Geslock, Anita Gunther, Julia Sewell, members of the court.

Lucky boy

The toss of the coin

Come on, Chas, let's do the twist! !

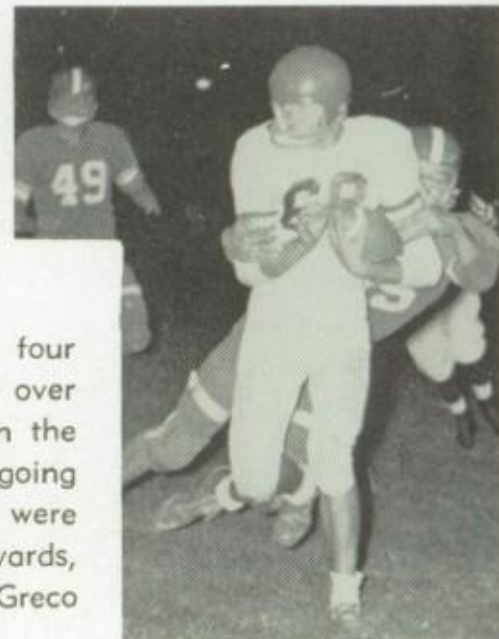

Just a little more.

Out of my way.

Shaking off a two game losing streak after four wins and an opening tie, the Tornadoes rolled over **ASHLAND**, 32-0. Mt. Carmel's first tally came on the first play from scrimmage seeing Len Guarna going 56 yards. High's second and third touchdowns were made by Bonjo on two plunges, 15 and 3 yards, respectively. The fourth was made by Morgan. Greco was good for two placements.

Mt. Carmel High's 1960 football team possessed its' sixth win in nine starts including a tie, as a result of a victory over **SHENANDOAH**. Coach Terry's Red and White scored in every period except the fourth on a 18 yard return by Bonjo of an intercepted pass, the recovery of a fumble in the end zone by Rich Greco, a one yard end run by Guarna, and a recovery of a blocked kick by Dennis Wydra.

Didn't get far — did you?

Here I come.

The Tornadoes tabulated their seventh triumph by defeating **SUNBURY**, 13-0. The touchdowns were rallied by Norby Bonjo on a 3 yard plunge in the second period and a two yard slice by Len Guarna in the the fourth period. The Tornadoes had possession of the ball most of the game and racked up 15 first downs to Sunbury's three.

Let's go steady, Frank.

Stop holding hands and help me, Rich. . . .

A moment of silence for the Shamokin team.

Mt. Carmel High had another successful football season under its belt as a result of a coveted win over **Shamokin** and finished with a surprising season's record of 8-2-1. The Red Tornadoes nipped the Grayhounds 7-6 at the Silver Bowl to break a four yearinx. High's lone touchdown came in the second quarter when quarterback Greco connected to Guarna in the end-zone and the winning point came on a fake placement kick with Greco throwing to Bagushinski.

Bags, in action.

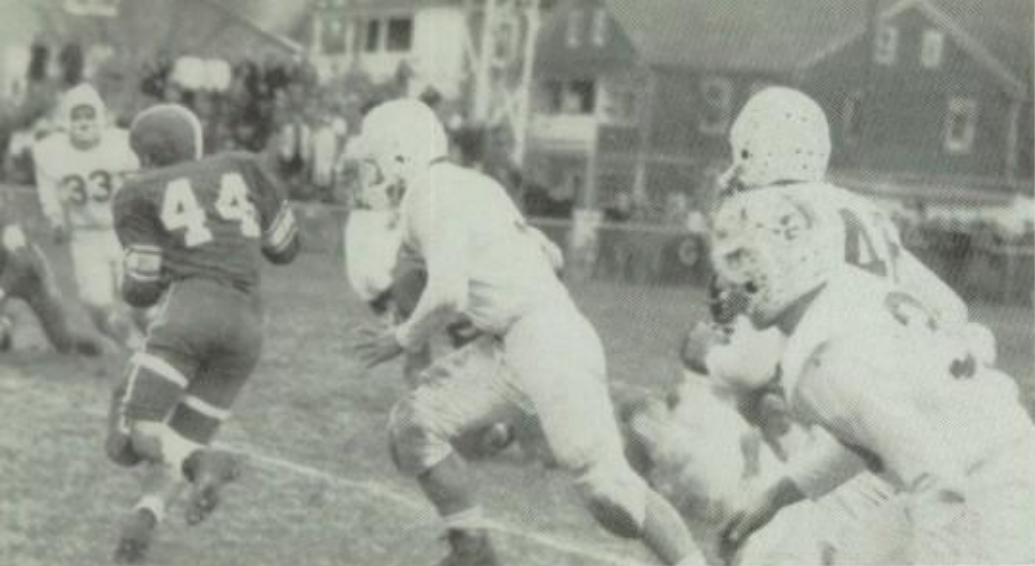

And now a word from our sponsor.

And will somebody please sit up that foolish teddy bear?

Missed it, didn't you?

Guarna's in trouble.

Hey! Not so rough.

Caught for a loss.

Grab that ball.
Here come the Tornadoes.

1961 Carmelite Staff

All through the high school years, many events and activities take place that we would like to remember and treasure as reminders of those wonderful years. But all too soon our memory seems to fail us and we begin to forget things which we thought would always be a part of us.

Although the work on the yearbook began shortly after the start of school, much work had to be done and full production was in effect until the end of February. The various staffs worked full speed to help and together with their combined

efforts, the work was completed as scheduled.

The 1961 Yearbook promises to be something completely different than before. The entire book is composed entirely of unposed, natural shots. Thanks for complimentary photographs go to the **Mt. Carmel Item** and the **Shamokin Citizen**.

If the 1961 Carmelite Yearbook can convey even a little reminder of the time, work, fun and memories that have been captured in it, it will be considered a success.

This picture is funny.

Pageant creator at work!

Every year during the Yuletide season, most Pennsylvania schools present in some form or other their renditions of a Christmas pageant or play. Mt. Carmel High School is no exception. However, the way Mt. Carmel High School presents their **PAGEANT** is an exception.

Upon completion of the preliminary script, a group of students were selected to begin the construction of scenery and the preparation of special effects.

On entering the auditorium, the audience will be confronted by a huge screen covering the entire stage opening. This screen will divide the viewing audience from the tableau to be seen. By projecting still photographs and motion pictures on the front of the screen and by placing the tableau or live scene behind the large screen, and viewing both at the same time, the observer got a most picturesque illusion of some phase of the Christmas season.

Practice makes perfect.

Christmas time is memory time

A joyful message sings out

I am the Christmas Spirit!

The annual **CHRISTMAS PAGEANT** was presented to an overflowing crowd on Sunday evening, December 18th, at 8:15 P.M. in the High School auditorium. The Pageant was written, designed and directed by Mr. George McFee, Art Supervisor. The Musical Direction was by Mr. Timothy Barnes, Glee Club Director. Participating players were composed of members of the Sophomore, Junior, and Senior Classes of the High School. The scene construction, painting, and preparation was done by the High School art class and the stage craft club. The lighting was done by Michael Balickik while the credit for the special effects goes to Dennis Novak and Charles Moleski. Mr. McFee and Charles Moleski photographed the animations. The Narrators for the Pageant were Elaine Bridy, and Alex Kozlowski.

Santa is busy

Nothing can compare with a child at Christmas time.

And Jesus was born in a lowly manger.

The heart of Mary must have wept within.

Christmas time is memory time . . . a time to reflect its true meaning with its warm nostalgic feeling. All through the Yuletide Season there is a feeling that is reborn in human nature. This wonderful sensation is known as the Christmas Spirit. In forty and scores of years we have changed the world and graded many things. We have moved from the age of glowing stoves to the push button age of ease. Yet through all of these passing times the Spirit of Christmas has remained untouched and unspoiled by time.

"Behold, I bring you good tidings of joy. On this day was born in Bethlehem, the city of David, a Child, the Savior — Christ, the Lord! He lies in swaddling clothes in a stable in Bethlehem." And the shepherds said to one another, "Let us now go unto Bethlehem and see this child which has come to pass which the Lord hath made known to us."

Come and adore Him!

All ready for the show!

Look at all these films.

"The Voice of Christmas", our Yuletide pageant which attracted more than 1,000 persons for one performance at the High School auditorium, was **telecast** over WDAU-TV, Scranton, at 2:30 P.M., Saturday, January 21.

The tableaux pageant was created, directed and constructed by Mr. George McFee, our art supervisor, with musical direction by Mr. Timothy Barnes, our Glee Club director.

The half-hour program, with Elaine Bridy and Alex Kozlowski as narrators, featured a 20-minute film and the original script of the pageant. A ten minute interview then followed. Participating in the interview were Elaine Bridy, Alex Kozlowski, William Albertini, Charles Moleski and David Steinhart.

The Mount Carmel High School concluded its 1960-1961 Basketball season with the finished log of 8 wins, 14 losses. The Tornadoes are the newest members of the North Schuylkill Basketball League. The team has met some stiff opponents, but proved to be a good competitive team by always providing a good game, even against the league leaders. Most of the setbacks came with only a few point difference between both teams. Our team is a hard-fighting, good shooting, well-balanced team; but just can't hit when the points are needed the most.

Our capable coach, Mr. Glen Menges, spent a lot

of time trying to polish up the team to meet the heavy competition of the new league which we are now a part. The Coach thinks a great deal of the boys and their ability because this year is the first in a long time that Mount Carmel has accepted an invitation to compete in the Bloomsburg Tournament.

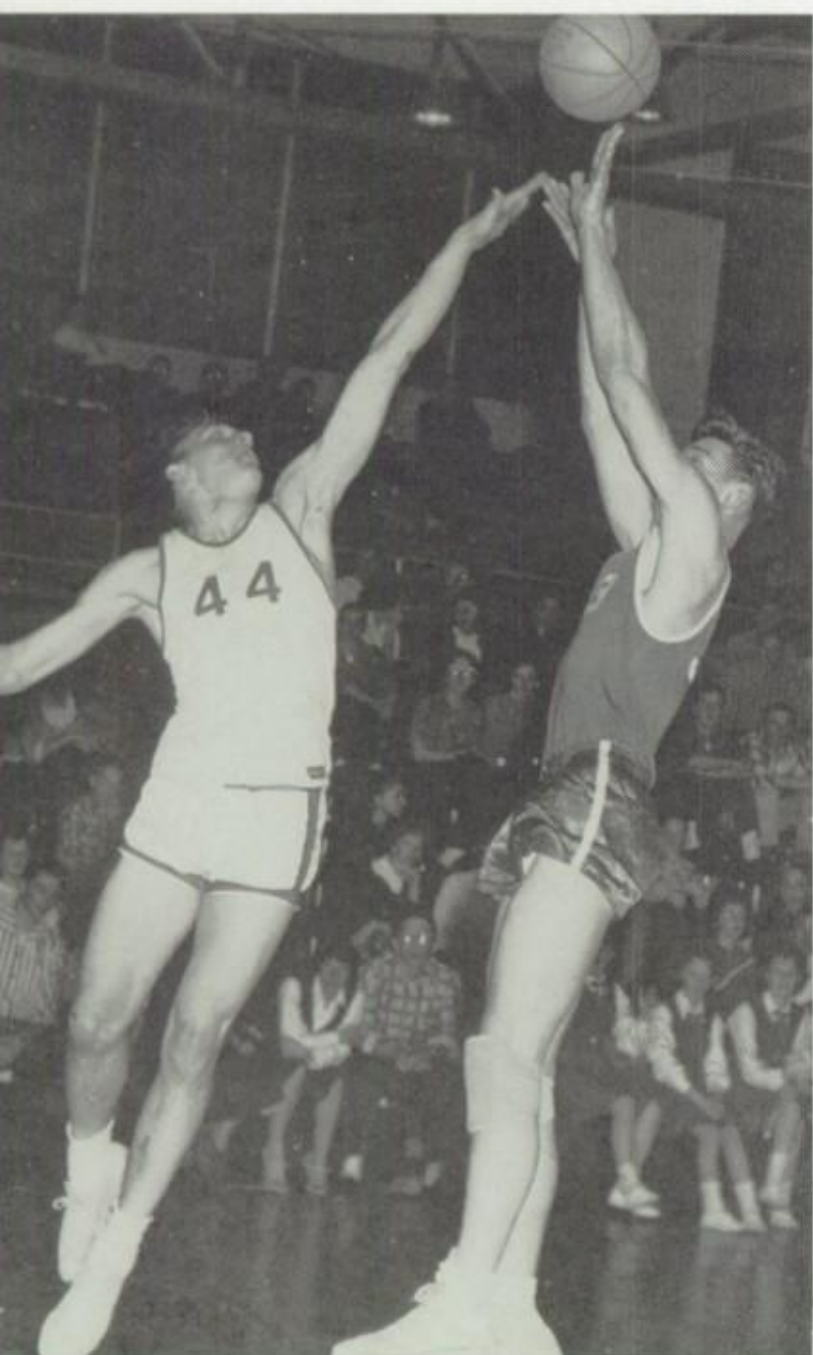

The following senior boys will no longer have the privilege of playing for the Good Old M.C.H.S. next year: Anthony Bagushinski, Richard Battista, Paul Belfonti, Charles Dakshaw, Charles Greco, Thomas Koczmarek, Edward Kovack.

The **GIRLS' GYM CLASSES**, under Miss Mayan, take part in basketball, volleyball, tumbling, softball, dancing, marching, and calisthenics. Basketball and volleyball intramurals are held every year, the winners receiving medals on Class Day. Pupils are marked every other marking period.

FIELD DAY is an annual event which is held each April, at the Silver Bowl, our high school stadium. An inter-class track meet is held at this time where Seniors, Juniors, Sophomores, and Freshmen participate in field and track events to compete for ribbons. These ribbons rank as follows: first prize, a blue ribbon; second prize, a red ribbon; third prize, a white ribbon; and fourth prize, a gold ribbon. The winners determine who will participate in the regular season meets.

I crown you Queen Marilyn

Track Team

Track and field, unlike most other sports in which students of Mt. Carmel participate, gives every athlete a variety of events within the sport itself. All high school track and field events are offered, and every boy can find a special event in which to excel.

THE TRACK TEAM, under the capable direction of Coach Gerald Breslin, experienced one of its most successful seasons last spring, and because of increased enthusiasm in the sport and a large number of returning lettermen, a similar season is expected for this year's Tornadoes of the cinders.

CAREER DAY

On April 19, 1960 the Mount Carmel Rotary held the eighth annual **CAREER DAY** for the students of the Mount Carmel area. The purpose of the Career Conference was to help the student decide upon his future work.

The program began at the Victoria Theater in the morning with an assembly of all the students. Remarks were heard from various educators, and the students were provided with musical entertainment. In the afternoon separate conferences were held in various fields. Each student was allowed to attend two conferences of his own choosing.

CAREER DAY has proved helpful to the undecided student in the past, and its importance can not be underestimated.

I hope this movie's good.

Baseball 1959-1960 Season

The **M.C.H.S. baseball team** under the supervision of coach Andrulevich and with the experience of six returning lettermen, went through a rough schedule and come out on the short end.

Although the season was not very successful from the viewpoint of wins and losses, the courage and spirit of the team made up for these defects. During the past season the team

chalked up four wins, eleven losses, and one tie. This was not a very satisfactory record, but the M.C.H.S. spirit was still shown in every game.

With three senior lettermen returning Rich Battista, Len Guarna, and Chas Greco, we hope to have a better season when this spring rolls around.

Here it comes!

Think I'll take them home.

I hit a homerun-la-la-la!

Hope he didn't notice me.

Decorating For The Prom

Good enough to eat!

Which one is the puppet?

The painting's on the wall, Loretta!!!

Soon after Christmas the preparations are started for the annual **JUNIOR PROM**. This event takes much planning. Mr. McFee along with committees which are picked from the students of the Junior Class begin to prepare for this event.

First of all a theme must be found. After the finding of a theme, the murals and ceiling along with the large decorations for the floor, are drawn on a blueprint. The lettering for on top of the murals must then be selected. These usually correspond with the pictures below them. When all this has been accomplished the smaller decorations are started. The students in the art class help with these pieces.

Around the beginning of March the actual decorating starts. The paper for the murals is put up first. While the

pictures are being transferred on the paper, the boys start wiring and putting up the crepe paper on the ceiling.

The technique for presenting the scenes is by projecting the picture on the paper and the students trace the outline. After this has been done the painting is started. This takes many hours, and many days to complete. When the murals are finished the lettering is put on above them. Every letter must be pasted on separately. While some of the students put up the lettering the rest of the students on the committee help with the center pieces and pieces for the floor. After this is finished everyone is ready for the big night.

Adding the finishing touches.

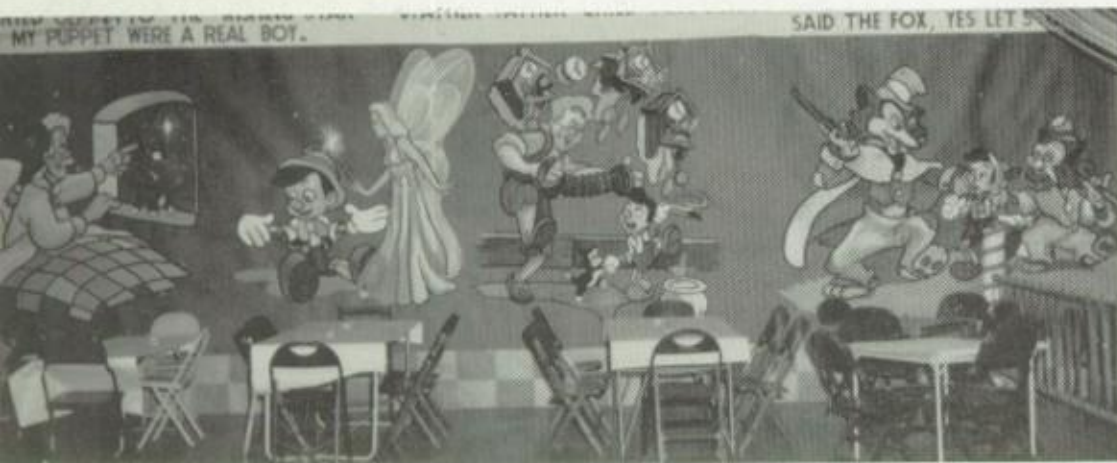

Will we ever be finished????

The theme of the 1960 Prom was **PINOCCHIO**. The walls of the entire gym were dressed with scenes from his wonderful adventures. These scenes were painted by students of the Class of 1961 which sponsored the Prom. Streamers of multicolors were strung overhead centering attraction on the centerpiece which consisted of a twirling seal situated in the middle of an elevated platform. At the far end of the gym, was a huge book revealing the story of Pinocchio. The book was the background for the throne which was built and decorated for the Prom Queen and her court.

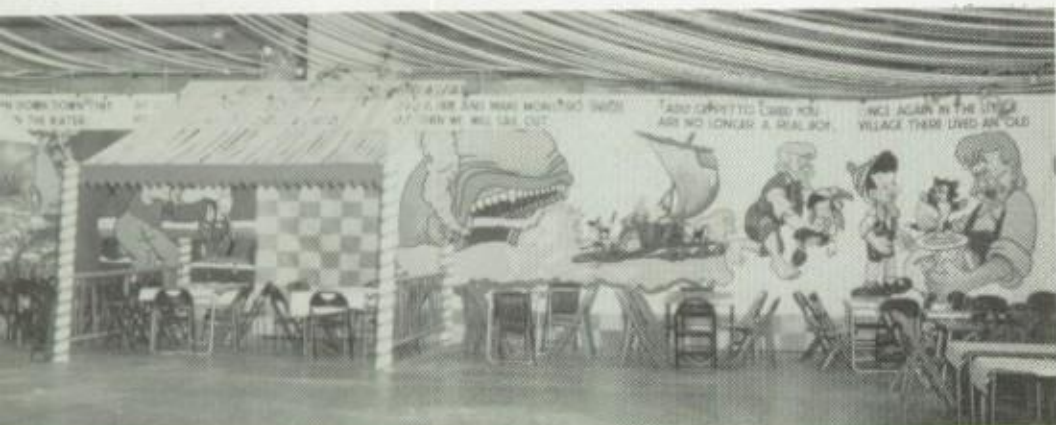

The story of Pinocchio.

Treasure Island.

The results of our work.

Don't cry, Mikie.

Miss Michaeline Halkovich, our Prom Queen.

Members of the court.

The most sparkling event of the 1959-60 school year was the annual **JUNIOR-SENIOR PROM**. This event was held in the "China Bowl" at Locust Gap and was followed by a dinner at the Mt. Carmel American Legion Ballroom.

The revelation of the new queen took place during a ceremony which only a queen is deserving of. The honor of bestowing the crown upon the head of Miss Michaeline Halkovich was given to Miss Catherine Lucas who just the year before stood nervously waiting for the crown to be placed upon her head. Tears of joy fell from the eyes of our queen as she danced around the floor.

Our Queen is crowned.

The thrill of a new experience.

Local TV viewers had a chance to relive the 1960 Junior-Senior Prom when a special program was presented through the courtesy of the Scranton television station.

At 8:30 A.M. on a Sunday morning following the prom, the 1960 Prom Queen, Michaeline Halcovich, and her court, Sylvia Ferrari, Maureen Yasavage and Victoria Taylor, left for **STATION WDAU, SCRANTON**, to appear on a TV filmed broadcast reviewing the highlights of this year's prom.

In addition to the queen and her court, Bill Albertini, master of ceremonies, Elaine Bridy, and Joe Coyne, members of the decorating crew and Dennis Novak, the High School Photographer, also attended the program. The entire group was accompanied by Mr. George McFee.

The script and musical background for the show were prepared entirely by the participating students with the guidance of Mr. McFee.

Bill Albertini, Jr., acted as master of ceremonies. He narrated the filmed highlights and interviewed each member of the Prom Court.

After an exciting and never to be forgotten morning, the queen and the members of the court preceded to Angela Park, where an afternoon of swimming was enjoyed.

Finally reaching home after a delightful day, each and every person that had attended the program agreed that it was a memory that would be cherished and not soon forgotten.

Last minute instructions.

1960-1961 Matmen

No other sport in our high school is as fiercely competitive and demanding for each individual athlete as is wrestling. Firstly, although it is one of twelve members of a team whose collective score is due to the efforts of all its members, wrestling is essentially an individual sport. Unlike other high school sports, such as track and cross-country, are also individual sports, sports in which each contestant must perform entirely on his own, and cannot depend upon his teammates to conceal his mistakes as in other team sports. Yet, wrestling differs even from these, for wrestling is a contact sport. When a wrestler steps onto the mat, he faces his opponent alone. He may blame no one but himself for a loss, and praise no one but himself for a win. The thrill one receives in competing so fiercely and individually probably accounts for the ever increasing popularity of this sport.

have it made.

It looks like no peanut butter and jelly sandwiches for you.

The **GOLDEN KEY HONOR SOCIETY** was founded in 1951 for the pupils in the General, Vocational and Commercial courses.

Any student with an average of 90% or above is eligible for membership. Other requirements necessary for membership are leadership in scholarship, service, and character.

The student does not know of his election into the society until sometime in February when he is initiated into the Golden Key Honor Society at the initiation ceremony.

Few are accepted into this society and the students that gain this position have a right to be proud of their accomplishments.

I'm so glad I made it.

Are you nervous?

Is that right?

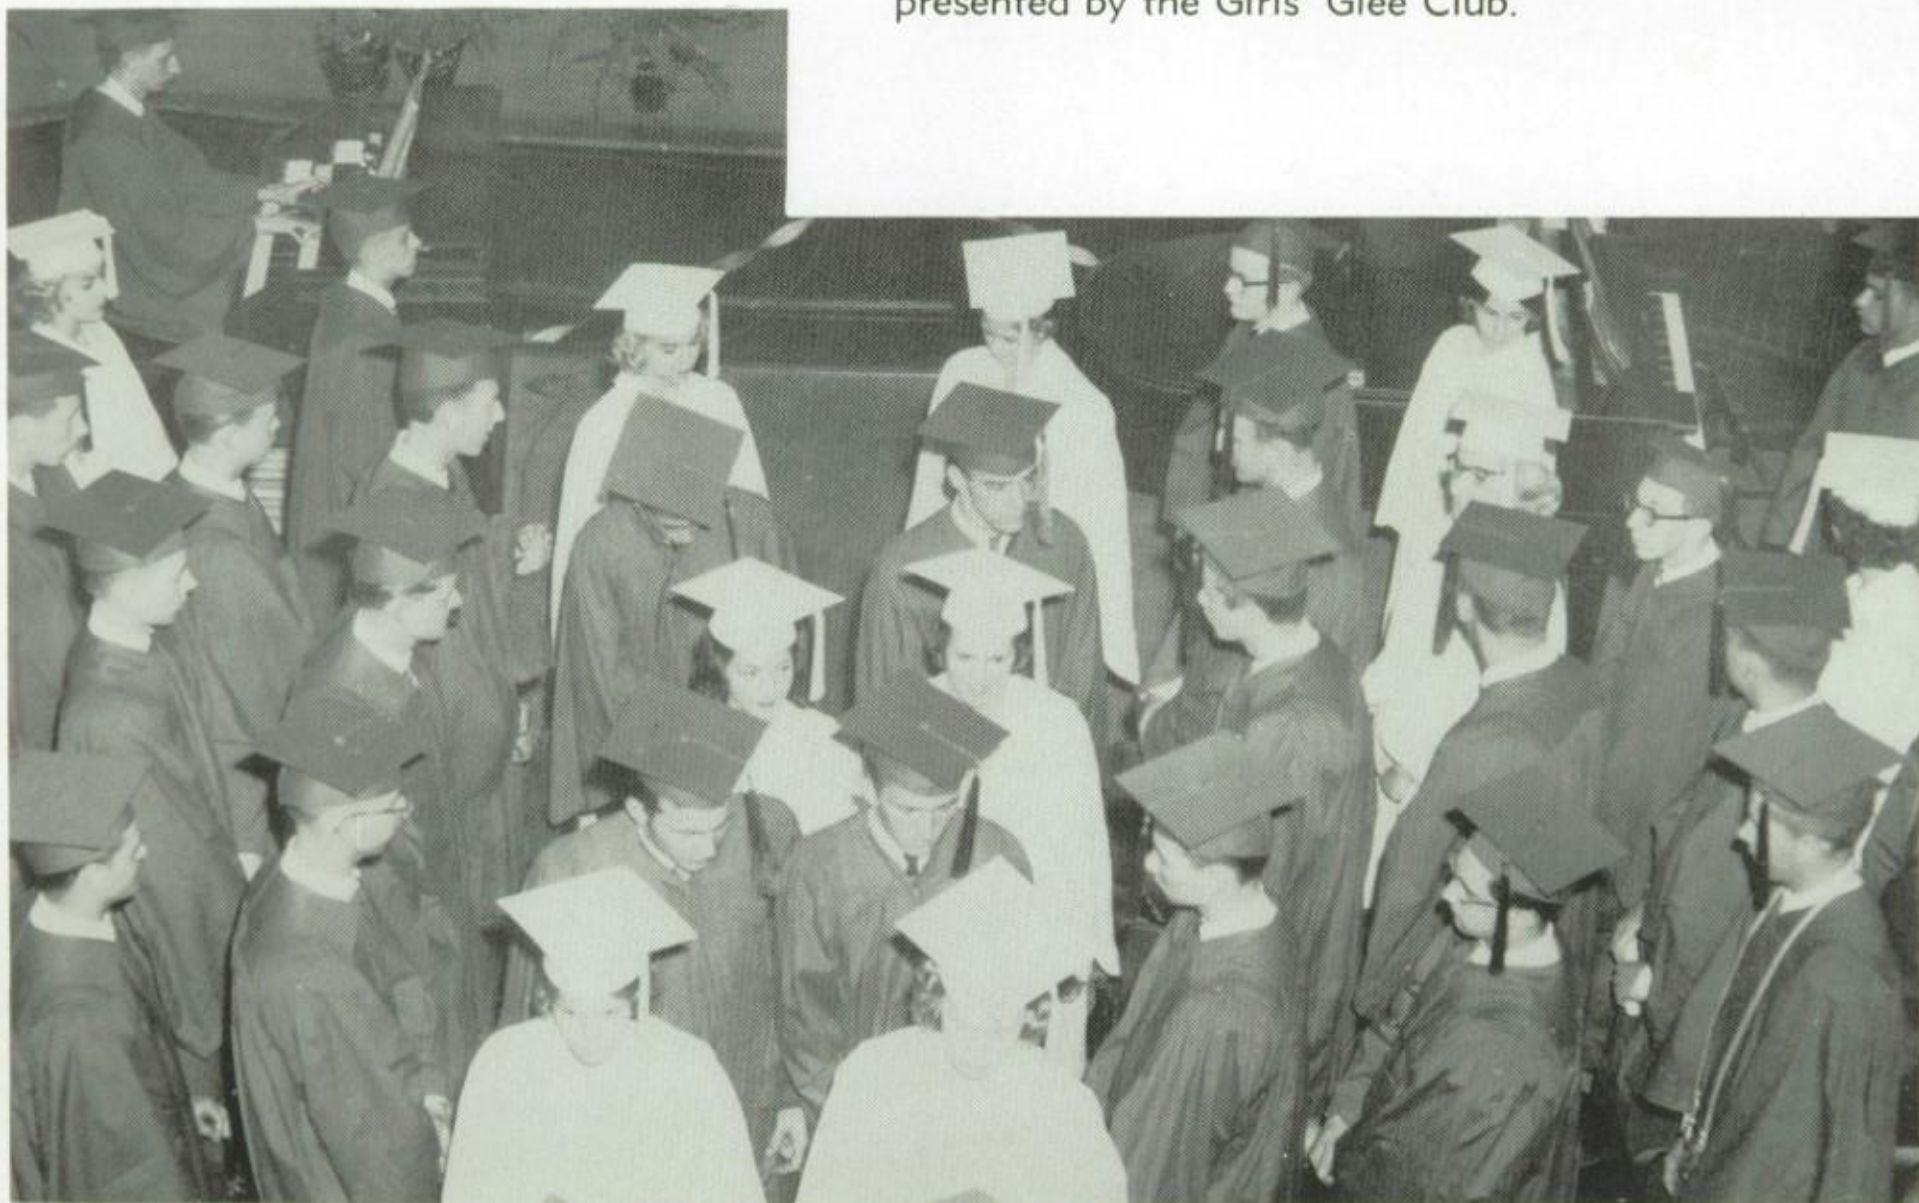

Words of wisdom

The last song together

Class Day is an annual event held usually during the month of May. It is under the direction of our principal, Mr. McHail. At this time, students who have excelled in any phase of the many activities of the school's programs received awards, which are usually medals. The number of years of service is designated by the composition of the medal as follows; Gold — 3 years of service, Silver — 2 years of service, Bronze — 1 year of service.

Baccalaureate services are held the Sunday before Commencement. At this time, a discourse of farewell is delivered to the departing seniors. Choral selections are usually presented by the Girls' Glee Club.

A solemn moment!

These moments we will cherish

COMMENCEMENT

Commencement, which is usually held on the last Tuesday of May, is the annual celebration of the graduation of the senior class. Included in the commencement ceremony is an address by a guest speaker, the presentation of awards to deserving seniors, and the distribution of diplomas to the members of the graduating class.

Congratulations, John

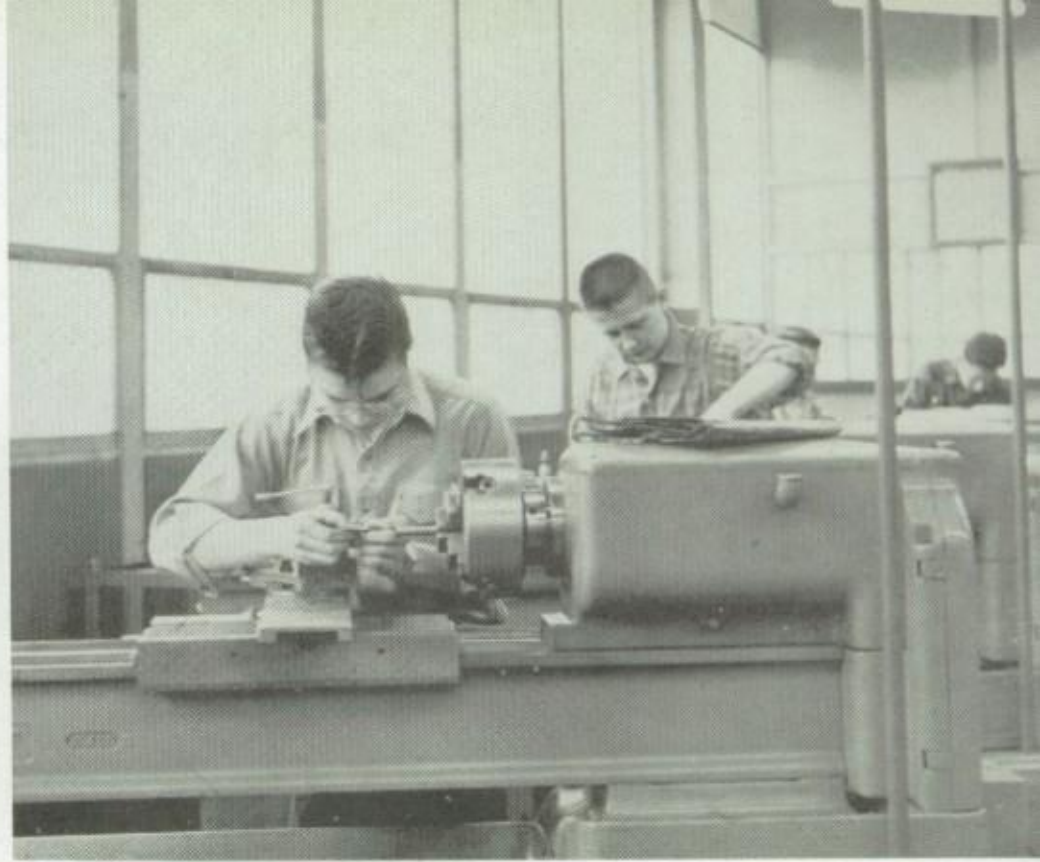

A proud moment for Joe

Vocational Education

VOCATIONAL EDUCATION is training in the arts and sciences to prepare the student for a specific trade or vocation. Our vocational shop in Shamokin is divided into six departments:

Carpentry — Students build all types of furniture and household articles in this department. Miniature houses are built and torn apart to give the student experience in building houses.

Drafting — This department deals with the process of representing engineering works, building, and pieces of machinery by means of conventional drawings.

Electricity — In this department students are taught how to repair motors and fix electrical appliances. They also learn how to wire houses and hook up electrical devices.

Machine Shop — This department teaches the

student to use metal lathes, milling machines. They learn how to make tools, make parts for different machines and also parts for precision instruments.

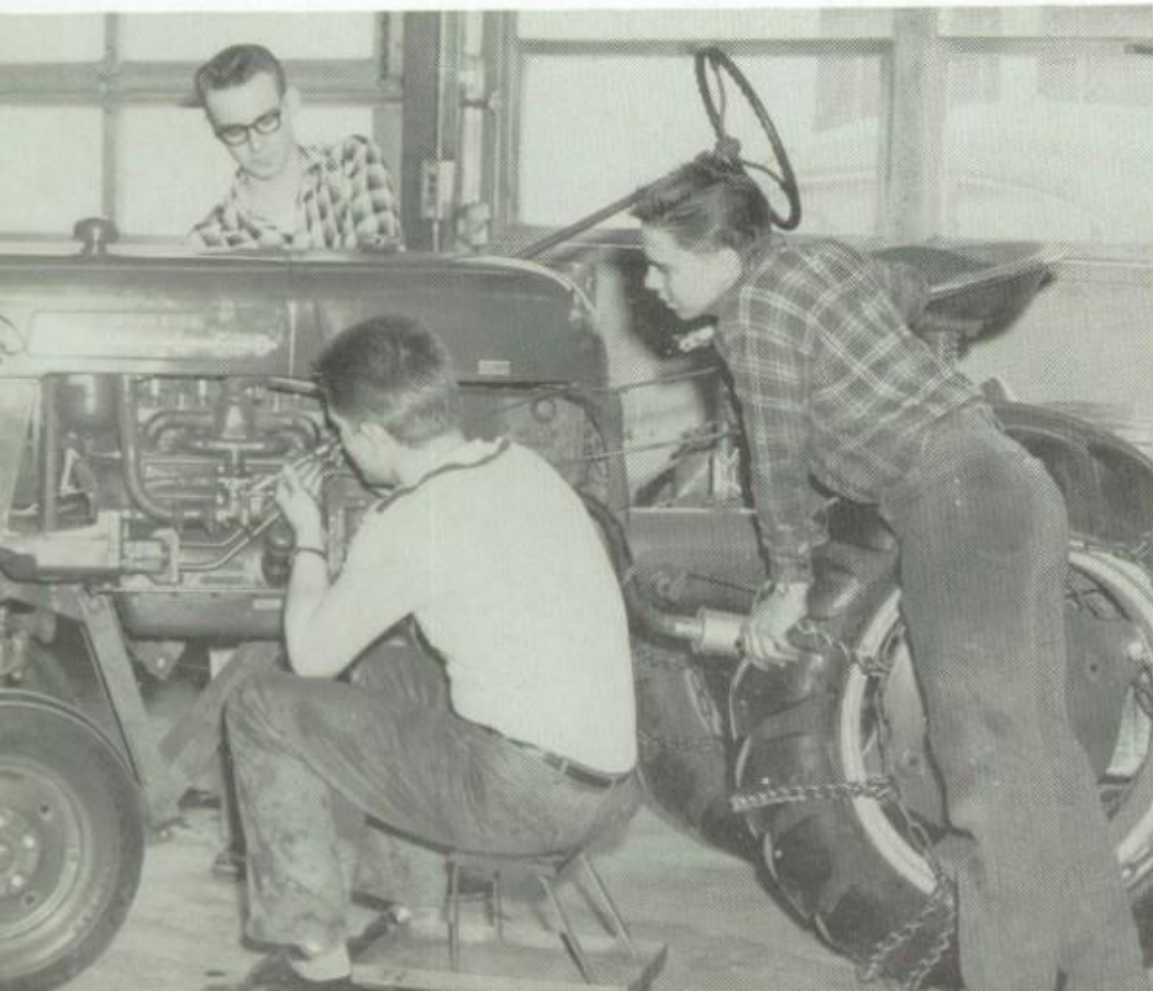

Radio and T.V. — This department teaches the codes, symbols, and fundamentals of fixing all makes of radios, transmitters, and televisions. Students also learn how to operate many of the electronic devices used in fixing radios.

Sheet Metal — Students learn how to make many articles out of sheet metal.

But this is only half of the vocational students education. The other half is spent at Mt. Carmel High School where he is given social studies, vocational math, and English. The vocational education course is open to tenth, eleventh, and twelfth grade boys.

The 1961 Graduating Class

The Senior class, then the Sophomore class, was whole-heartedly welcomed into this high school on Initiation day, a day which everyone enjoyed and will long remember.

Our card campaign, as well as the sale of fruit cakes, under the supervision of the class advisors, Miss Kathryn Billman and Mr. George McFee, proved to be very profitable.

The first dance sponsored was the Valentine Dance. This was enjoyed by all who attended.

Lots of work and some fun was the formula for our Junior year. From the combined efforts of our class advisors, one of the most successful magazine campaigns of the high school resulted. Junior Assemblies consisting of class talent were held throughout the year.

Much time and work was spent decorating the prom. Night after night of painting and committee upon committee helped make it the success that it was. We were the first class in the history of the High School to have our prom televised for a fifteen minute review.

Although the only campaign we conducted in our Senior year was for name cards, it seemed that our time was occupied by various other activities.

Time doesn't stop, and football season came and went. Thanksgiving Day meant the end of pep-rallies, pom-poms, and parades, but the beginning of thrills on the basketball court. In the midst of this season came the Christmas Pageant. Our Christmas Pageant was a huge success, and we again marked a first, having an half-hour program on television about which we received many compliments. Then in February the Honor Society initiations, which are looked forward to by so many hopefuls. Soon after came our operetta "Bamboo Princess" which brings back memories, not only as a success, but of all the fun we had in presenting it. The days are slipping fast—and soon our class will be no longer a part of the school. We have only to look forward to Commencement and Baccalaureate and these will bring the final curtain. But always we will remember M.C.H.S. and the teachers, friends, and memories which we acquired through attending it. It will always remain an integral part of our memories.

Class Song

Theme: **Christmas and You**

Graduation Day has arrived
 See our school years have gone fast
 The games, dances, and fun we've had
 Will soon be things of our past.

Now we take our last glance around
 The halls are quiet, we hear not a sound.

We hope someday, we'll meet again
 But we can't say where or when.

We are parting, school days are gone
 And now we bid a good-bye
 To the friends and teachers we've known
 At Mt. Carmel Senior High.

We will enter the world outside
 With knowledge, wisdom, and God as our guide.
 We'll remember both smiles and tears
 Of all our high school years.

Memoriam

Albert Veluches (1943-1960)

Al, as he was known to his friends was born in Mount Carmel, February 20, 1943 and died, December 14, 1960. He was a member of the senior class, and was enrolled in the General Course. Albert was a good student and enjoyed the finer pleasures of worthwhile reading. Although illness filled his life, his personality, to say the least, was not affected. His well bred manners, and his desire to learn helped him to establish an honorable standing in the Mount Carmel Senior High School.

We the students of the class of 1961, would like to dedicate to Albert Veluches, this memorial page of the 1961 Carmelite Yearbook.

Junior

Homerooms

For the class of 1962, this has been an exciting and eventful year. First of all, a magazine campaign, under the helpful guidance of Miss Leona Kaufman and Mr. John Hogan was conducted to boost our treasury. Also, the Christmas Dance was sponsored by the Junior Class and assemblies. Our work on the various Prom committees made the final big event of the year a smashing success. All in all, this has been much too short a year for us, but one which we will cherish in our memories always.

Well — Come in and sit down.
